

Study Buddy

Having a study buddy can be helpful when you are trying to learn information and concepts online.

Benefits of a Study Buddy

1. A study buddy can "pick you up" when you find that your motivation to study is slipping.
2. You may be reluctant to ask a question of your teacher or in a chat or forum area.
3. You can listen and discuss with other information and concepts.
4. Your study buddy may understand something you do not and bring up ideas you never considered.
5. You can learn valuable new study habits from the other people.
6. You can compare notes to clarify information and fill in any gaps.
7. Sharing your understanding of information and concepts to the others may help you reinforce your learning.
8. Let's face it - studying can sometimes be boring. Interacting with the others can make learning fun.
